**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like to avoid needless price hikes that will increase the cost of services that never improve. I am unable to get fiber where I live and probably won't ever if there's less competition. It's your responsibility to make sure there is healthy competition and access to those services.
